How To Change The Favicon Of Your Career Site In easy.jobs?

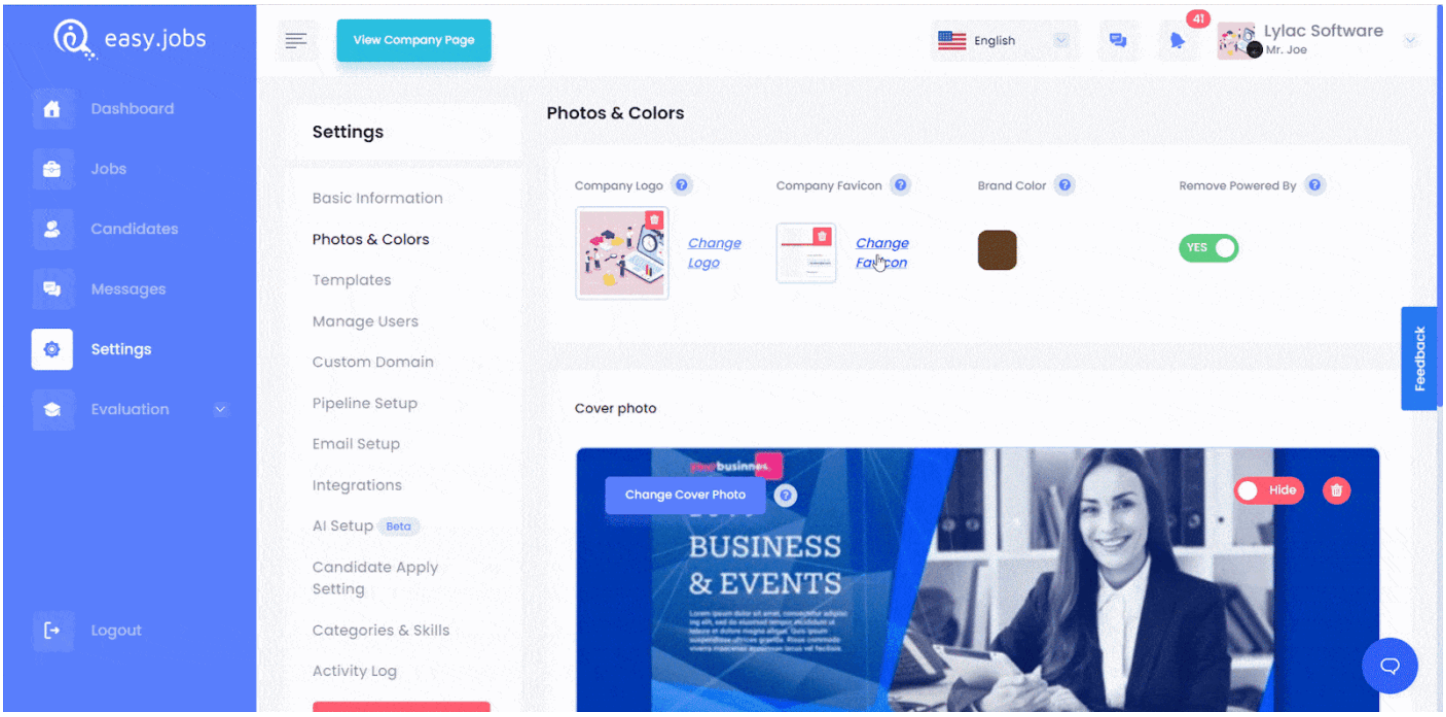

Careers Site · https://easy.jobs/docs/change-favicon-career-site/

Check out the guideline below to learn how to **change the favicon** of your career site in easy.jobs.

Step 1: Log in to your **easy.jobs** account and navigate to **Settings→Photos & Colors**. After that, you will now get an option to upload a photo for your favicon from your computer.

Step 2: Now, click on the **Change Favicon** button and choose the photo you want to add as your company favicon, and resize the image before clicking on the **Save** button. After that, you will see that your company's favicon has been changed in your system.

This is how you can **change favicon** for your organization in easy.jobs.

If you need any help, feel free to **contact us** or join our **Facebook community** to get connected with other company owners like yourself.
