How to Edit Candidate Profile in easy.jobs?

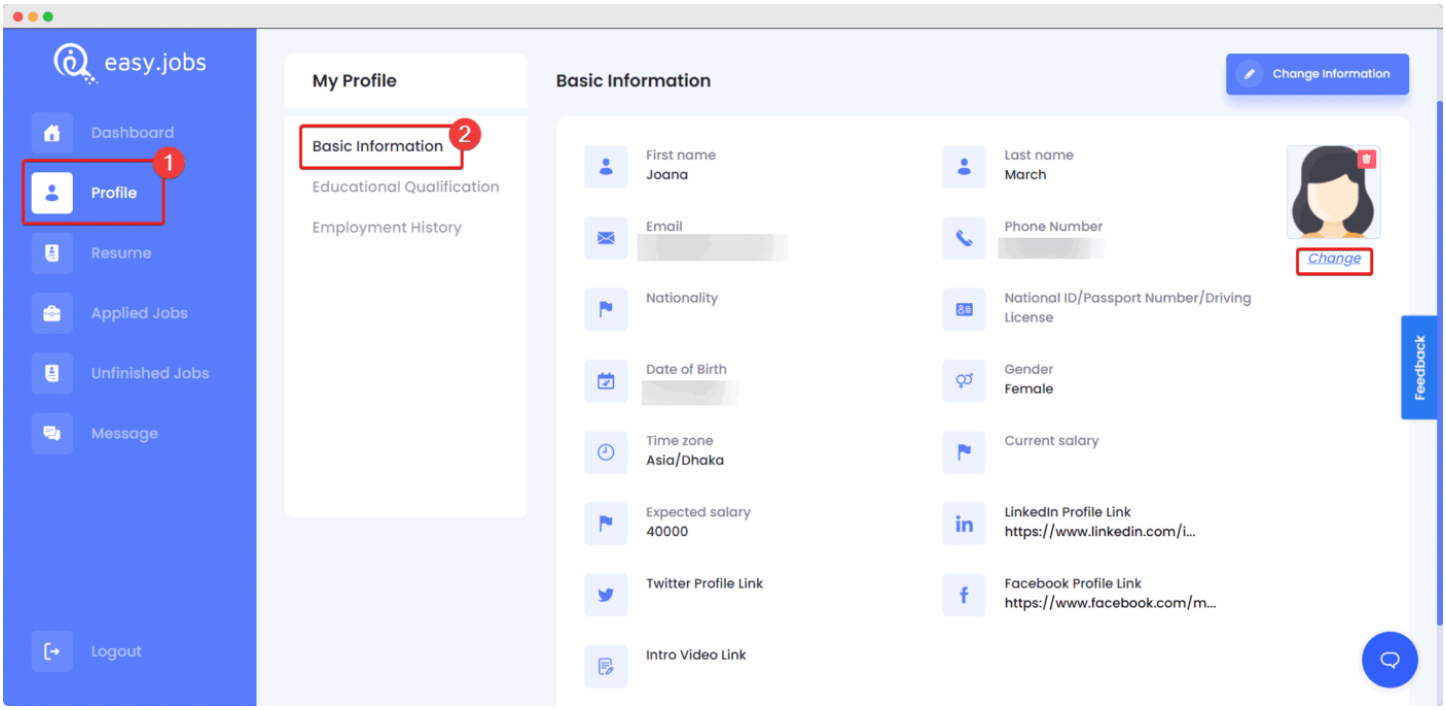

Candidates · https://easy.jobs/docs/edit-candidate-profile/

Check out the guideline below to learn how to **edit candidate profile** in easy.jobs.

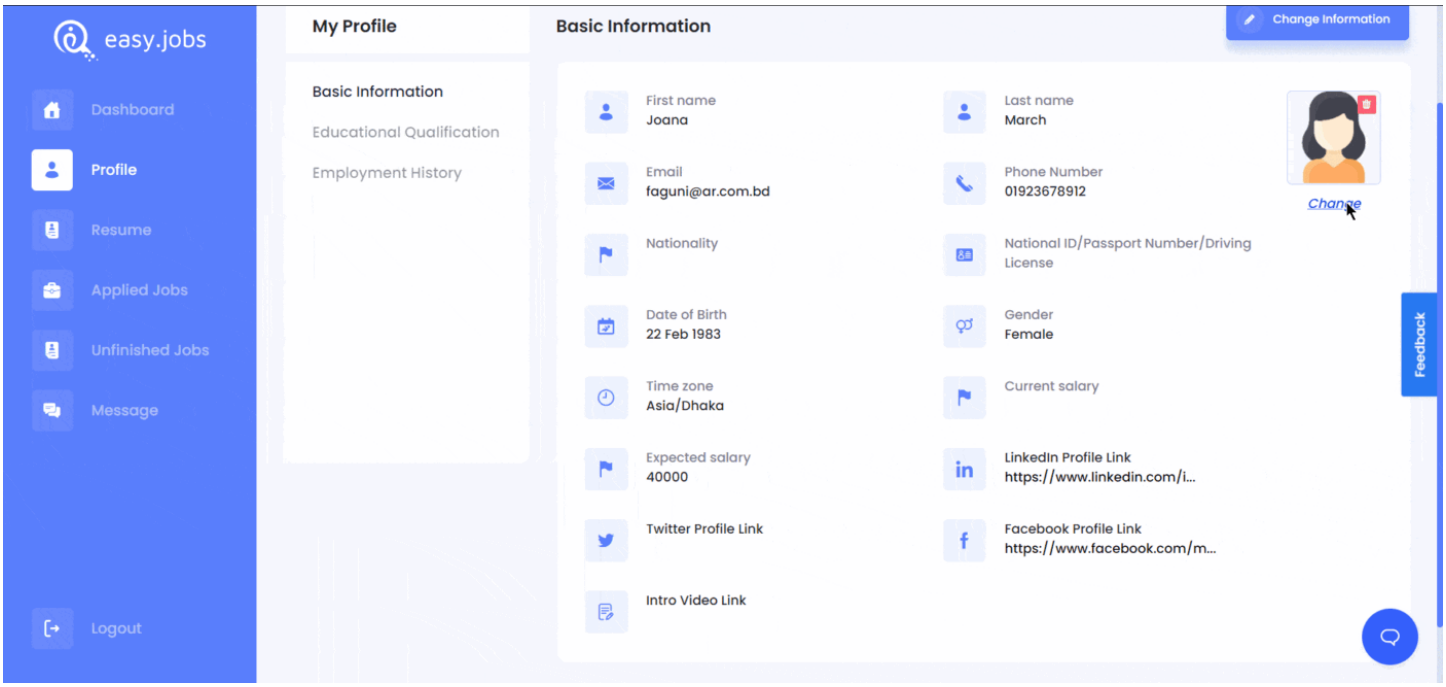

Step 1: Log in to your candidate profile and it will take you to the Candidate Dashboard page.

Step 2: After that, you need to click on the **Profile** from the left sidebar. You will see your profile information here.To edit or update your profile, hit the **'Change'** button from the right top corner of the page.

Step 3: You can upload your profile picture directly from your computer. this is how it will look like.

This is how you can update or edit your profile. If you need any help, feel free to contact us or join our Facebook community to get connected with other company owners like yourself.
