How To Check The AI Score Of A Candidate In Easy.Jobs?

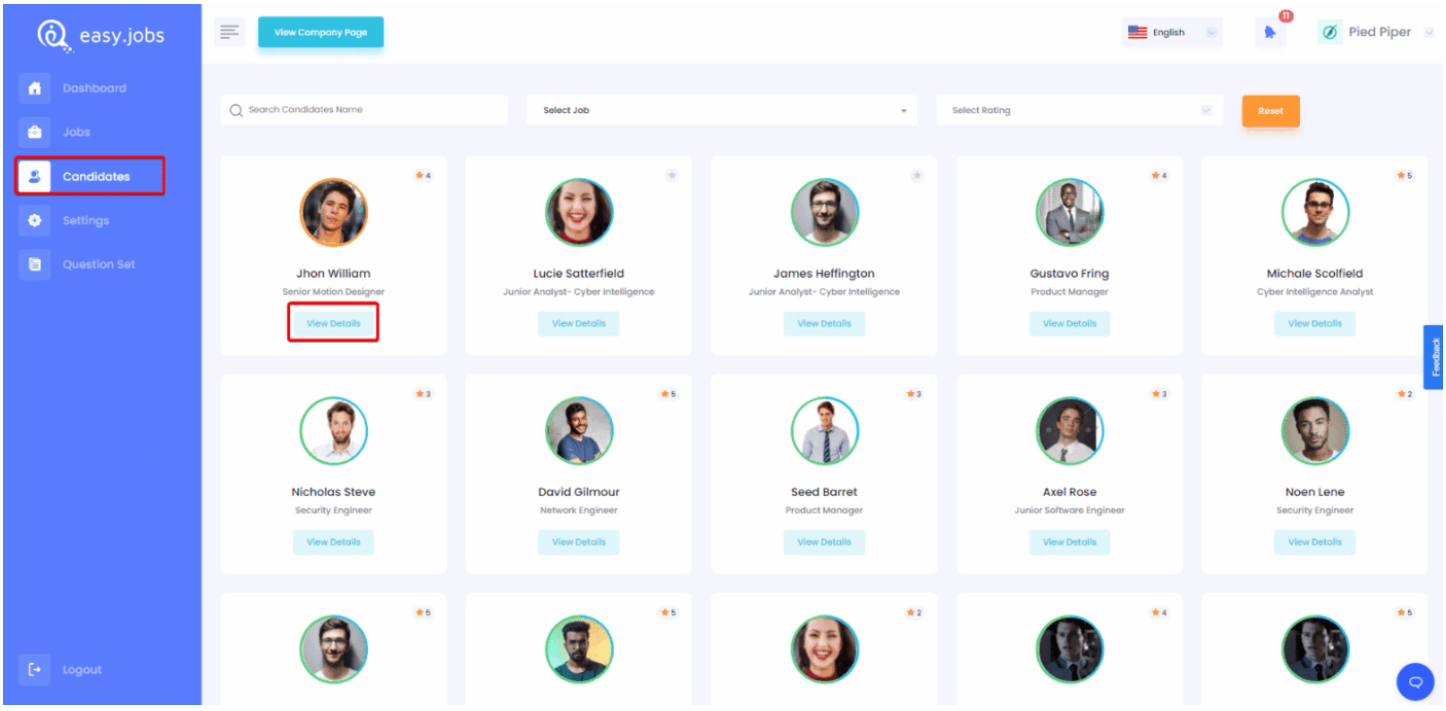

Candidates · https://easy.jobs/docs/how-to-check-the-ai-score-of-a-candidate/

You can easily **check the AI score of a candidate in Easy.Jobs** to get insightful information about them. To do this, you first need to **configure the AI setup**. When you are done, follow these step-by-step guidelines to check the AI score of any candidate in **Easy.Jobs**.

Note: The AI feature in Easy.Jobs is still in its beta phase, so you may experience some issues. We are continuously working to improve this feature.

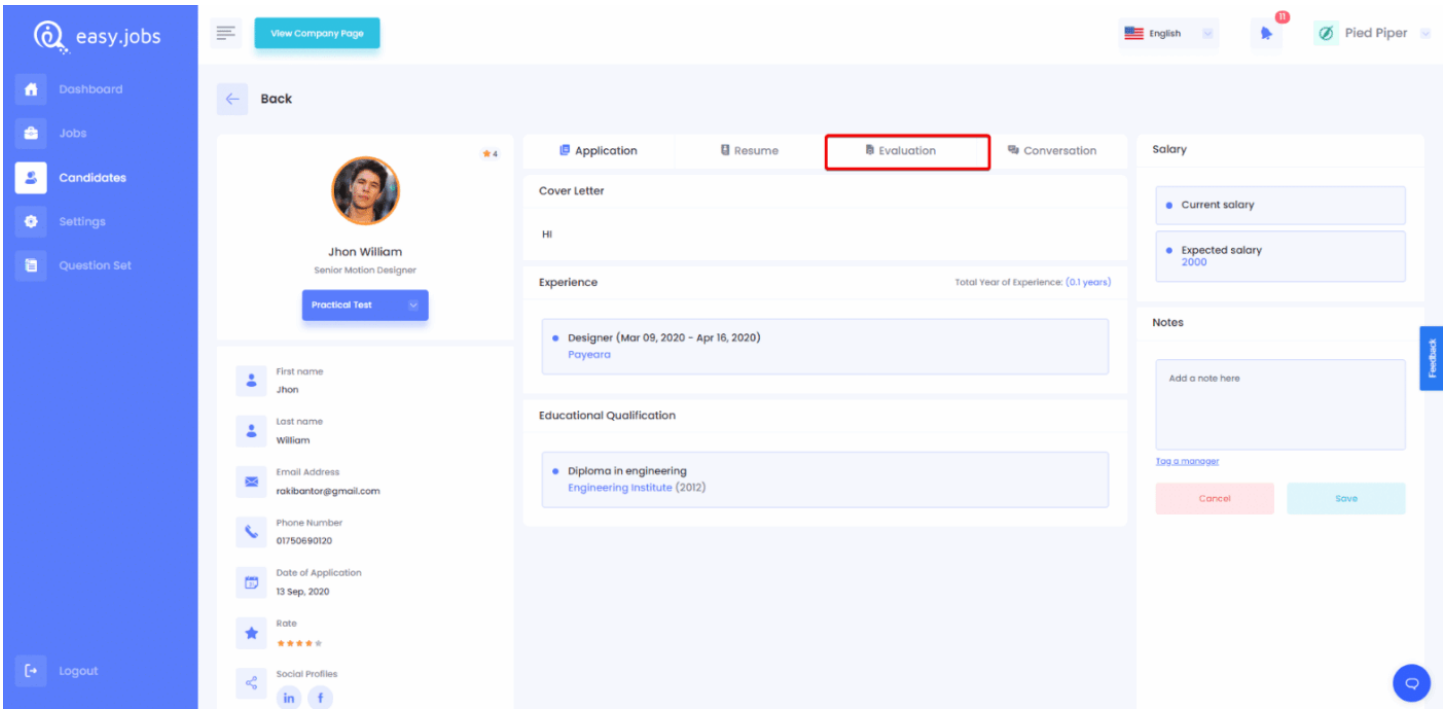

Step 1: Manage Candidate Details In Easy.Jobs

Log in to your Easy.Jobs account and navigate to **‘Candidate’**. After that, click on the **‘View Details’** button of any candidate whose AI score you want to check.

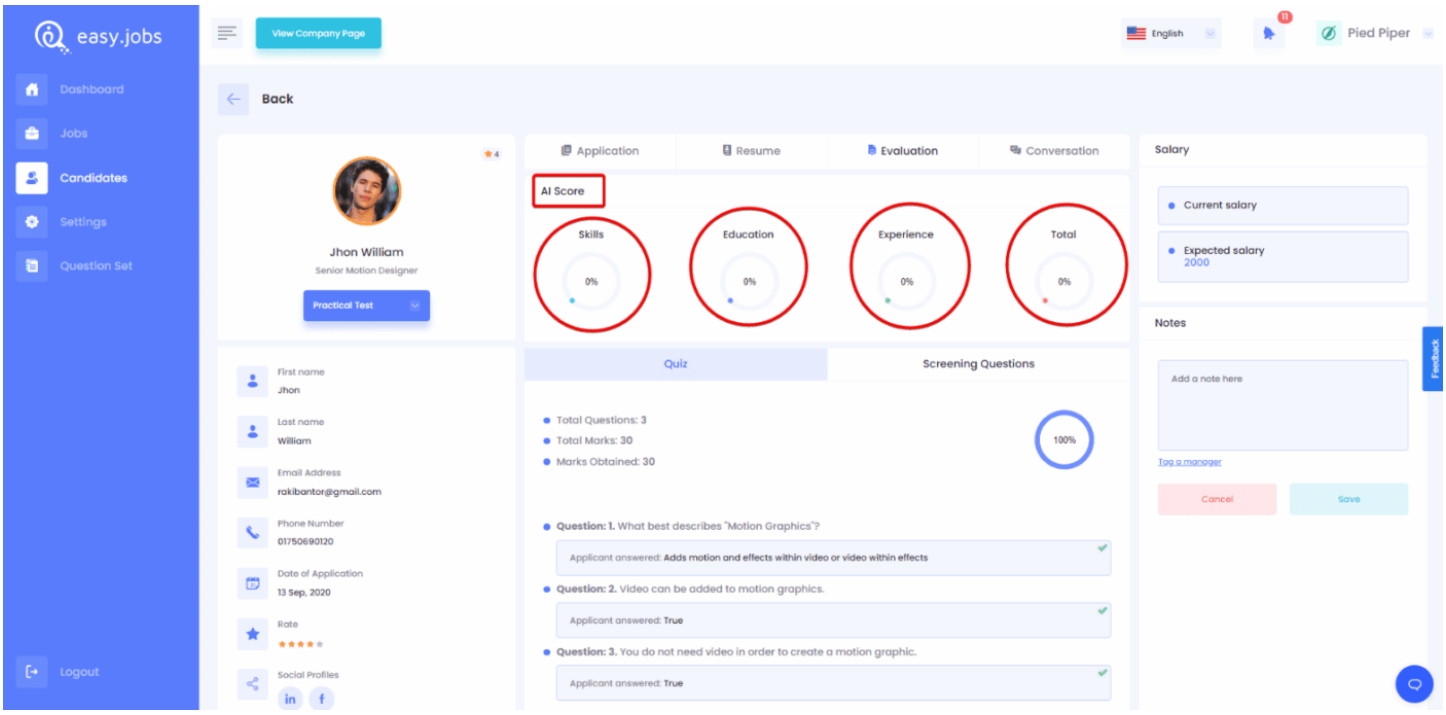

Step 2: View Candidate’s Evaluation

It will take you to this page, from where you need to click on the ‘**Evaluation’** tab.

After that, you will be able to view that particular candidate’s AI score as shown below.

This is how you will **check the AI score of a candidate in Easy.Jobs**.
