How To Select The Remote Hiring Option In A Job Post in easy.jobs?

Configurations · https://easy.jobs/docs/select-the-remote-hiring-option-in-a-job-post/

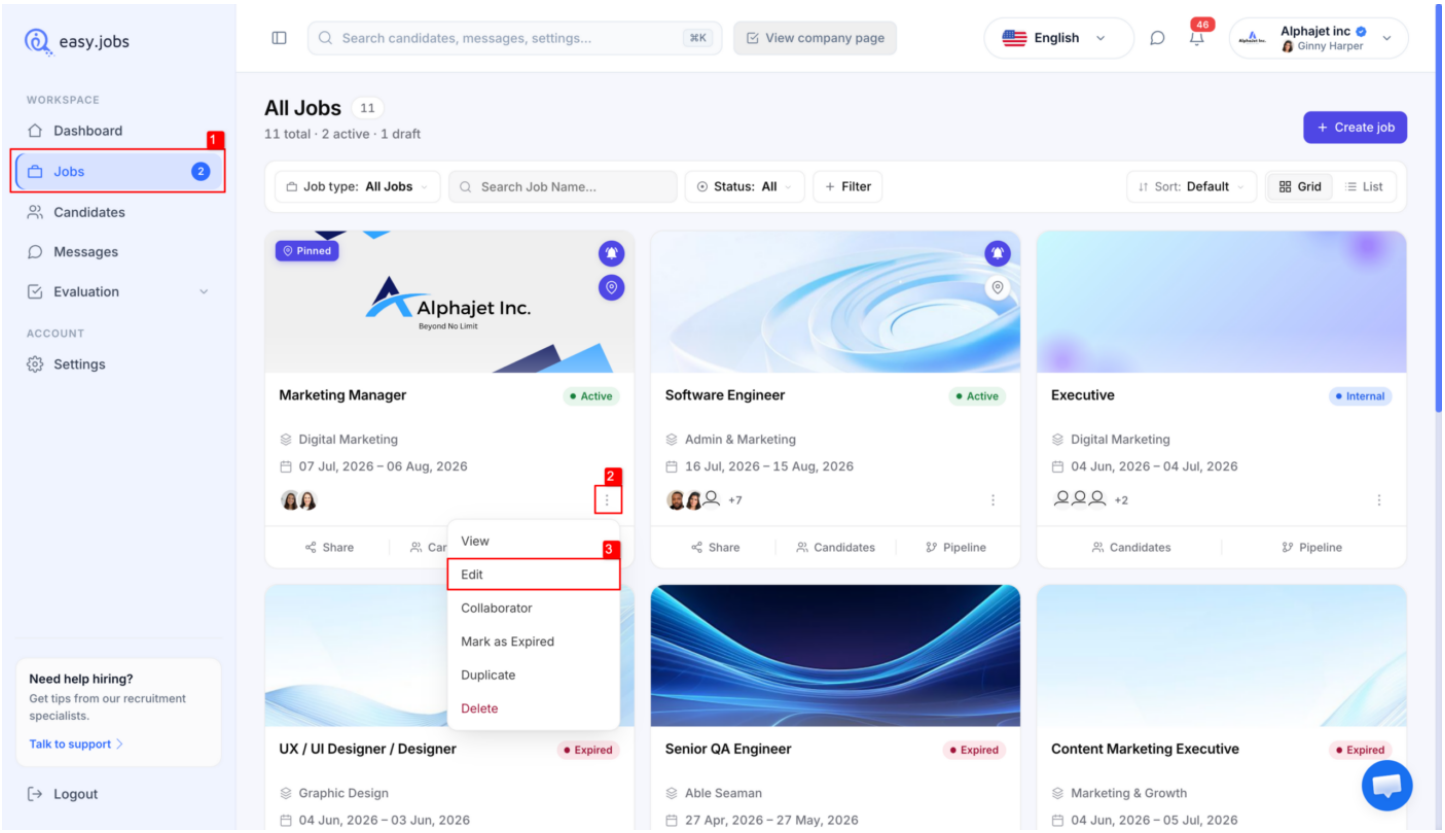

With the help of **easy.jobs**, you can enable remote hiring for any job and even take **remote interviews**.

How To Enable Remote Hiring Option In easy.jobs?

Follow these step-by-step instructions to learn how to select the remote hiring option in a job post.

Step 1: Modify Jobs From Your Dashboard

Log in to your easy.jobs account and navigate to **‘Jobs’** from the dashboard. After that select a particular job from the job list, for which you want to select enable remote hiring and click on the three dot **‘More’** button. From the drop-down menu, select the ‘**Edit’** option.

Step 2: Enable Remote Hiring For Your Job

It will take you to this page from where you will see the **‘Allow Remote’** option. Toggle to enable it and then hit the ‘**Save And Continue’** button.
