Step 1: First, click on the **Candidates** from your easy.jobs dashboard. From here, you will be able to view all the people who have applied to your job postings.

Step 2: Now, click on the '**View Details'** button with whom you want to communicate.

Step 3: Click on the conversation tab to communicate with your candidates. Type your message and hit the '**Send**' button.

This is how you can send messages to candidates and communicate on your way of hiring people. If you need any help, feel free to **contact us** or join our **Facebook community** to get connected with other company owners like yourself.
